Kentucky Chickens

Poultry fanciers of Kentucky who sent
chickens to the Porto Rican Fair, which just
closed, are much pleased with the result of
their venture. Fourteen trials of the birds were
sent and in every class they won all they were
entered for and when offered at auction at the
close of the Fair they brought more than treble
the values placed on them by their owners when
they were shipped from here.

The prices on the chickens ranged from \$15
to \$50 a trio, and averaged more than \$10 a
bird. None of the chickens were injured en
route.

Mr. John W. Power of this city sent a trio
of white Wyandottes and a trio of buff
Wyandottes.

A Strange Story

Argyle, Mich.—Mrs. William H. Carson in
a letter from Argyle, says: "I was almost
wild with pain in my head and other severe
pains due to womanly troubles. Cardui gave
me great relief at once. Further use of Car-
dium raised me from my bed of agony. Cardui
saved my life, and I can't be thankful enough
for what it did for me." Whether seriously
sick or simply ailing take Cardui, the woman's
tonic. As a general tonic for women, to im-
prove the appetite and build up the constitu-
tion, Cardui is in a class by itself. Those
who have used it say it does the work; it re-
lieves, it cures. Try it. Your druggist has it.

Manufacturers of automobiles assert that the
farmer and the resident of the smaller cities
will be the largest purchasers of the motor

been paid chiefly to the big cities, but with the
development of the industry and the increase
in interest on the part of the communities
away from the big centers, chief place is now
being given to them.

Wants K. E. A. to Meet in Louisville

An effort is to be made to have the annual
convention of the Kentucky Educational Asso-
ciation, scheduled for Owensboro in June,
transferred to Louisville because the railroad
rates to Owensboro are alleged to be unsatis-
factory. The committee on the Rural School
Development of the Commercial Club of Louis-
ville will make the effort and try to harmonize
the situation so as to hold the meeting there.

ONE woman, unmarried, is of the opinion

that if women were allowed to do the courting

and proposing there would be more happy

marriages. It might be worth while to try it,

anyway.

MAYBE the real reason for sending our soldiers to the frontier was to protect the horse-racing at Jaurez.

It is said that RICHARD A. BALLENGER, who retired from the Taft Cabinet, is to sue GIFF. PINCHOT for \$500,000 damages. BAL. is making the damage figures something commensurate with the value of the Alaskan mineral lands which he undoubtedly was trying to barter away to his friends.

KANSAS is one of the three States which have no women dentists. The other two are North Carolina and Idaho. This is somewhat unusual for Kansas, where municipal suffrage prevails, where nearly one-half the County Superintendents are women, where 10,000 out of the 12,000 teachers are women, where 500 Bank officers are women, where the only woman in the world is Probate Judge and where more woman's rights laws grace the statutes than in any other State of the Union.

WOMEN MAY AVOID OPERATIONS

By taking Lydia E. Pinkham's Vegetable Compound

The following letter from Mrs. Orville Rock will prove how unwise it is for women to submit to the dangers of a surgical operation when it may be avoided by taking Lydia E. Pinkham's Vegetable Compound. She was four weeks in the hospital and came home suffering worse than before.

Here is her own statement.

Paw Paw, Mich.—"Two years ago I suffered very severely with a displacement. I could not be on my feet for a long time. My physician treated me for seven months without much relief and at last sent me to Ann Arbor for an operation. I was there four weeks and came home suffering worse than before. My mother advised me to try Lydia E. Pinkham's Vegetable Compound, and I did. Today I am well and strong and do all my own housework. I owe my health to Lydia E. Pinkham's Vegetable Compound and advise my friends who are afflicted with any female complaint to try it."

ORVILLE ROCK, R. R. No. 5, Paw Paw, Michigan.

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

DYSPEPSIA

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of stomach catarrh and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. I have taken numerous other so-called remedies but without avail, and I find that Cascarets relieve more in a day than all the others I have taken would in a year." The Best Argument Ever Made for Made-to-Order Clothes!

Lies in the fact that the world is made up of all sorts and conditions. The next time you want a new suit please remember that you are an individual with a physical construction and personality unlike any one else. You are yourself. It is for this reason that you must have your suit made to your own measurements, for no one person in the world is a duplicate of another.

FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin. You can prolong your life by healthy bowel action. Clogged bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several times a week until the system has settled to its future condition.

Among the strongest supporters of Dr. Caldwell's Syrup Pepsin are Mr. W. G. Zorn of New Decatur, Ala. and Mr. George S. Spaulding of the National Soldiers Home, Kansas, both elderly men. The regular size bottles can be bought of any druggist at fifty cents and one dollar, but a free sample bottle can be had by sending your address to the doctor.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. P. Caldwell, 241 Caldwell building, Monticello, Ill.

SUPREME COURT'S O. K.

On Corporation Tax Law In-
creases Uncle Sam's In-
come \$25,000,000

WASHINGTON, March 13th—The Cor-
poration Tax provision of the Payne-
Aldrich Tariff Act was sustained today
as constitutional by the Supreme
Court of the U. S. The Court was
unanimous.

The decision saves to the Govern-
ment an annual income of approxi-
mately \$25,000,000.

Of all the objections to the tax
raised by suits in all parts of the
country, none of them was found suf-
ficient to nullify the law. The Court
did not hold that the tax was not ap-
plicable to the Real Estate "Trust" of
Boston, which was organized not un-
der any statute, but under the com-
mon law. The law was held not ap-
plicable to the Minneapolis syndicate,
a real estate concern, on the ground
that it "was not doing business" within
the meaning of the law.

Prominent among the objections to
the law was the argument that the tax
was not a direct tax, not apportioned
according to the constitution.

Worth Weight in Gold

Abingdon, Va.—Mrs. Jennie McCall of this
place says: "I had been troubled with female
complaints for over ten years. I could not
walk or stand on my feet and had been almost
confined to the house for a long time. I
began to take Cardui, the woman's tonic, and
now I can walk anywhere I want to go. Cardui
is worth its weight in gold." This is a high
estimate on a plain, herb medicine, yet there
are thousands of women who would gladly pay
this price for a remedy to relieve their suffer-
ing. Cardui has helped others. Why not
you? Try it. Your druggist sells it in \$1
bottles.

20% UNDERFEED INVESTMENT

Most heating systems are an actual drag on the domestic treasury. If
you want to enjoy actual every-winter dividends, tear out your old glutton-
ous coal-burner, with its uneven heat and hard-to-satisfy appetite for fuel.
Put in a

**PECK-WILLIAMSON UNDERFEED
FURNACE OR BOILER**

Choose the system you like best—warm air, steam or hot water. Cheap-
est slack in the Underfeed yields as much clean, even heat as most expensive
grades; which ordinary heating plants require. All the fire is on top and has
to eat down into the fresh coal against the draft. Combustion is slow and
perfect, and smoke, soot and gases are entirely eliminated. This enables Un-
derfeed furnace and boiler users to

SAVE 1/2 TO 2/3 OF COAL BILLS.

This saving represents a 20% dividend on the investment for this mod-
ern system of heating. Figure it out. It won't take long to get your money
back. The Underfeed adds to the selling or renting value of any building.

and completely derange the whole system when
entering it through the mucous surfaces. Such
articles should never be used except on prescrip-
